Welcome,

Thank you for your interest in Storehouse West Virginia™, a ministry project of Believe in West Virginia (BiWV).

All groups who receive product from the Storehouse need to complete an application. There is no charge to obtain products from Storehouse West Virginia™. Donations will be made to any 501 (c) (3) non-profit organization or church. Please complete the application and return it to our office with a copy of your 501 (c) (3) determination letter or church by-laws, so that you may receive items from the Storehouse. Feel free to contact me for assistance in completing the form, should you need help.

Once we receive and accept your application, we will contact you to let you know about upcoming distributions. We allow organizations to receive GiK general products from the Storehouse once a every 30 days. Organizations can schedule Building Material pick-ups as needed. All visits to the Storehouse are by appointment, usually on Tuesdays and Thursdays, but we will try to work with your schedule.

Storehouse West Virginia™ relies on the help of volunteers to accomplish most of the things that are done. If you, or others from your organization, would be willing to volunteer please contact us.

We trust that you will find your relationship with those you meet, and volunteer alongside of, at the Storehouse to be both rewarding and enjoyable. It is our sincere desire to join with you in meeting the physical needs of our shared community – and in so doing building strong personal relationships that model unity, harmony, peace, and reconciliation.

Yours truly,

John deBlecourt

STOREHOUSE MEMBERSHIP APPLICATION **for 501 (c) (3) AGENCIES and CHURCHES**

Storehouse West Virginia TM is a ministry project of **Believe in West Virginia (Believe)** that receives and distributes new mostly non-perishable donations from US corporations to 501 (c) (3) organizations and churches - who then re-distribute these donations to the economically disadvantaged communities that they serve, free of charge. **Our mission** is to facilitate, strengthen, encourage, capacitate and lower the overhead costs of non-profit organizations in order to help them to accomplish their charitable mission. **Our goal** is to be a channel of blessings, hope and dignity to our members, volunteers, and to all whom we serve collectively and to do this in an atmosphere of spirited, diverse volunteerism, love and kindness that deepens and enriches lives.

In 2005 **Storehouse West Virginia** TM was founded by **Believe in West Virginia** and will freely distribute donations to all communities in West Virginia. Most of the work at the Storehouse is done by volunteers, who wish to bless others through their labor. The type of products typically received include building materials, office / school supplies, personal care items, cleaning and maintenance supplies, clothing, books, toys and household items.

OUR ORGANIZATION

Believe in West Virginia is a Christian non-profit organization. Founded in 2003, the mission of Believe is to be a Christ centered catalyst helping transform the economic, political, social, and spiritual environment of West Virginia.

OUR DONORS

Our donors represent a wide cross-section of small and large US manufacturers and retailers of consumer products. For a variety of reasons (style changes, production overrun, stale dates, warehousing costs, etc.) many manufacturers and retailers need to dispose of surplus inventory. Donors receive the benefit of favorable tax provisions, which allow for higher levels of deductions for charitable donations of inventory, compared to ordinary disposal.

OUR MEMBERS

Membership is open to any registered 501(c) (3) non-profit organization or church. Members agree to comply with federal regulations which define the rules pertaining to the distribution of donations as well as the definitions of recipients of goods. Members are encouraged to provide volunteers on a regular basis to assist in Storehouse operations.

PARTNERSHIP OPPORTUNITY

The cost of operating **Storehouse West Virginia** TM is covered through donations, fund raising events, and grants. One way for us to remain sustainable is to allow organizations who benefit from the work of the Storehouse to Partner with **Storehouse West Virginia** TM. We know that not all organizations can afford to become partners, and they are still eligible to receive the same type of donations from the Storehouse, but the gifts are needed to allow us to continue to operate. We have developed a suggested yearly donation amount, which is listed on the next to last page of the application. If you can come along side of us, your help would be greatly appreciated.
